**LITTLETON, COLO., March 18, 2014** — Amy and Casey Clark of Littleton, Colo., are going to Disney World after winning the 2014 Academy Mortgage Disney World® Vacation Package Giveaway.

The Clarks were automatically entered into the contest for completing an Academy Mortgage customer satisfaction survey following the purchase of their new home this past year. Their entry was randomly selected from more than 10,000 entries received from throughout the United States.

“This was such an amazing surprise! Our family was thrilled to receive such a great reward for simply filling out a customer satisfaction survey,” said Amy Clark. “We had a great experience with Academy. We received a tremendous amount of support during the process and our loan closed with no problem.”

The Clarks purchased their home through Academy's Lakewood Branch Office and Coldwell Banker. Academy Loan Officer Dan Smith and Coldwell Banker Devonshire Realtor Beth Morse, who both assisted the Clarks with their home purchase, presented them with their five-day, four-night vacation package for four.
